Remarks:

- No local traffic: local leg in long haul routes where it is not allowed to carry local traffic, and only traffic to/from any international part of the route is protected.
- Pending: we will inform shortly if these flights are going to be cancelled or not.
- Direct to San Juan: customers to Santo Domingo will be offered an alternative flight option.
- Barcelona-Madrid or Madrid-Barcelona flights: some of these cancelled flights are local legs of long haul international flights. Customers booked on any of these flights as part of a long haul route will be entitled to change the connection to another alternative flight between Madrid and Barcelona or Barcelona-Madrid, in order to connect with the international flight, upon availability.
